## Cub Scout Camping Opportunities 2010

Our Cub Scout programs are about having fun and creating memories. Great memories for a boy in Day Camp or Resident Camp; great memories for a boy and his mom or dad at Cub Parent Weekend; and great memories for the whole family at Family Camp. The experience will create memories and friendships that will last a lifetime.

Every Cub Scout is welcome at camp. Whether the camper arrives with his Pack, Den or by himself, he is sure to make new friends and have a great time at camp. Cub Scouts will enjoy everything our camps have to offer: Archery, BB's, swimming, crafts, boating, advancement work, bouldering, climbing wall, biking, fishing, songs, skits, sports, a campfire and much more (not all activities are available at all locations or events).

In this newsletter you will find out more about our programs which include:

- Baiting Hollow Day Camp – 8 one week sessions
- Cub Adventure Day Camp (Western Suffolk) 7 one week sessions
- Resident Camp at Baiting Hollow – 5 day 4 night program
- Cub Parent Weekend Camping Program
- Family Camping

Spend some quality time in the outdoors with some special friends and family. Our camp programs are here for you to take advantage of and enjoy.

Have a great summer! Council Camping Committee

## Baiting Hollow Day Camp

This summer, Baiting Hollow Scout Camp will host another exciting eight weeks of day camp! Join us for a week or the whole summer and participate in many different things while you are there. No two weeks are exactly alike! The day camp program starts at 8:30 a.m. and concludes at 4:00 p.m. Before and after care is available at NO additional cost! Lunch and snack are included.

Baiting Hollow Scout Camp offers an exciting and fun-packed program. For BB shooting and Archery, our trained shooting sports instructors have safety as their top priority while the boys complete the requirements for their Archery and BB Belt Loop. Waterfront activities at Baiting Hollow include swimming, boating and a day at the beach. All campers are swim tested and only allowed to swim in the area that meets their ability. For science, campers will get messy while doing fun experiments. In addition, each camper will complete a different project each week during their sessions at arts and crafts. Games and sports will help teach the boys about rules and teamwork which are important life lessons for social interaction. Lastly, see who can be the fastest to the top of our 32 foot climbing wall.

## Baiting Hollow Cub Resident

### July 5 – July 9 and August 15 – August 19

This program is for Cub Scouts and Webelos Scouts. Resident Camp is a great opportunity to sleep at camp without being far from home. Come to camp on the rolling hills of eastern Long Island. Swim in the Long Island Sound. Row a boat around Lake Arrowhead. Practice sports and maybe even learn a new one. Climb the 32' climbing wall or simply enjoy a beautiful summer day. The highlight of the week is our 50' ice cream sundae.
