

Winter Camp

Baiting Hollow Scout Camp

February 14th-19th, 2010

DO SOMETHING SPECIAL THIS WINTER!

This is the seventh year that Baiting Hollow will be running a winter camp during the schools winter recess. Boys will sleep in cabins and eat all meals in the heated dining hall. Activities and merit badges that are offered are different than those offered during the summer. We are looking forward to a great week at camp.

The program for the week will include time to work on three merit badges, group activities, games and presentations from different groups. A list of merit badges offered is still being finalized. We expect that the following badges will be offered music, graphic arts, art, law, public health, wood working, plumbing, radio, electricity and photography. This list will be available on the camp website at www.baitinghollowscoutcamp.org

The program is open to both troops coming with their own leadership and to boys who would like to camp provisionally. Provisionally means that boys from different troops gather at camp to form a troop for the week under the supervision of camp provided adults. All of this for the great price of \$255.

WINTER CAMP
